THIS WAIT IS KILLING ME.

I don't know how this works, so I came 15 minutes early. I guess that was too much!
But, I wouldn't want to keep her waiting!!
GRRR00
ARGH, DAMN IT!! JUST COME ALREADY!!
Oh my, aren't you early?

Did you wait long?
Sorry about that.
Ah, n-no. N-Not at all.
What is it?
STARE
Heheh. Should I have worn something more casual?
N-NO. THAT'S NOT WHAT I MEANT!!
pff
..You really are an Ojou-sama.

This is the first time I've seen you in your own clothes.
It.
It looks good on you.
HEH.
Turn
Th- That's all I meant!!
LET'S GO!!
THESE AREN'T MY PAJAMAS!!
What're you even talking about?
Thanks.
I'm impressed you just came in your pajamas.

SHUT UP!! THEN JUST CALL IT TINY!!
Wow, how cute!
Is this your house?
...!!
Twitch
You're being too subservient.
Oh my, that's not what I meant.
No, sorry.
As long as that's clear.
MUMBLE
You wouldn't call it sheltered to not know about manga or vending machines?
Did you say something?
Oh, and I'd appreciate it if you didn't write me off as a naive and sheltered rich girl.

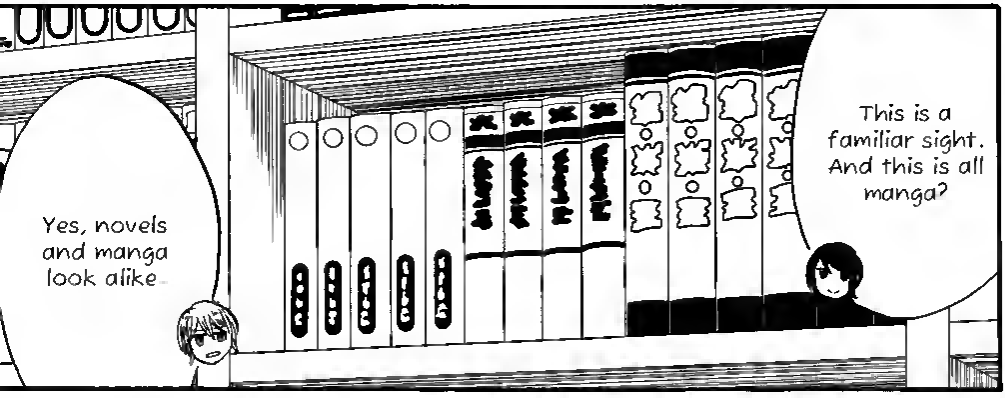
That sure took long.
CLANG
I'm home!
Welcome back.
M-My friend, Fujiwara.
Nice to meet you. I'm Fujiwara Misono.
bow
Ehm...

Thanks for allowing me to come over
YURI!
It-
It's not my fault you presumed some-thing!!
WHEN YOU SAID FRIEND, I THOUGHT YOU MEANT SHINOBU!
NOW I DIDN'T PREPARE ANYTHING!
say these things!
Yuri! I'll bring tea up later
Oh, don't bother.
I'LL COME AND GET IT! JUST CALL!!
Oh, you didn't need to do that! Thank you very much.
Ah, I'm so sorry. I'm Yuri's mother. Come in, come in!!
I hope you'll like this.
Thank you.

GRAB
Oh, is that so?
Your mother's Japanese is really good.
Well, she was born and raised in Japan.
?
KLA BANG!
Ouch!!
WHY, YOU!! WATCH IT!! WHAT THE HECK!!
So you have a friend.
This Shinobu, who is she?
TWITCH

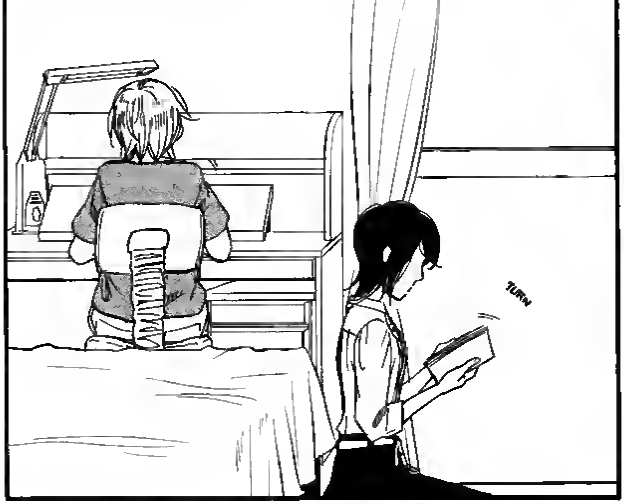
Shi—
Shinobu is the one who wrote the manga's story.
She's my childhood friend. I almost consider her family.
Geez
MORE IMPORTANTLY, DON'T EVER DO THAT AGAIN!! I MIGHT DIE!!
...Hmm
Oh my, sorry.

rattle
Please.
What a lovely room.

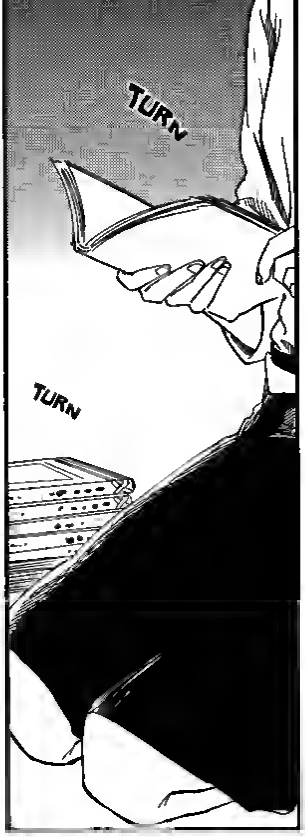


This is a familiar sight. And this is all manga?
Yes, novels and manga look alike.

So... Where do you want to start?
Do you have a genre you like?
Whatever you recommend. I'll leave it to you
Hmm, all right. This one, then.



TURN



TURN
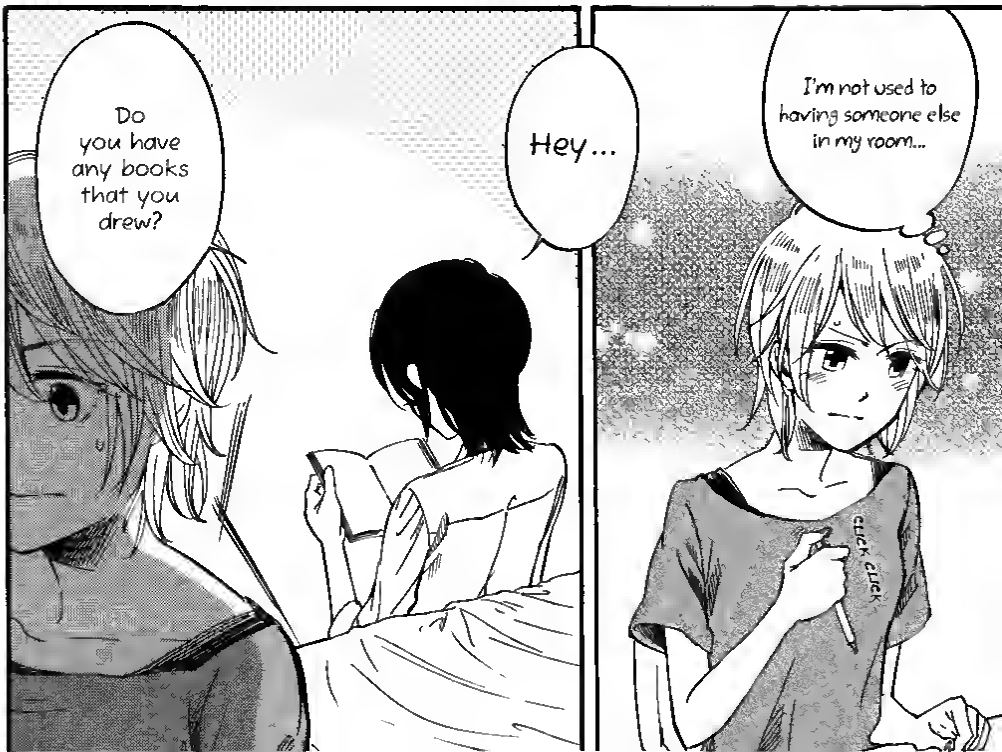
Pinch

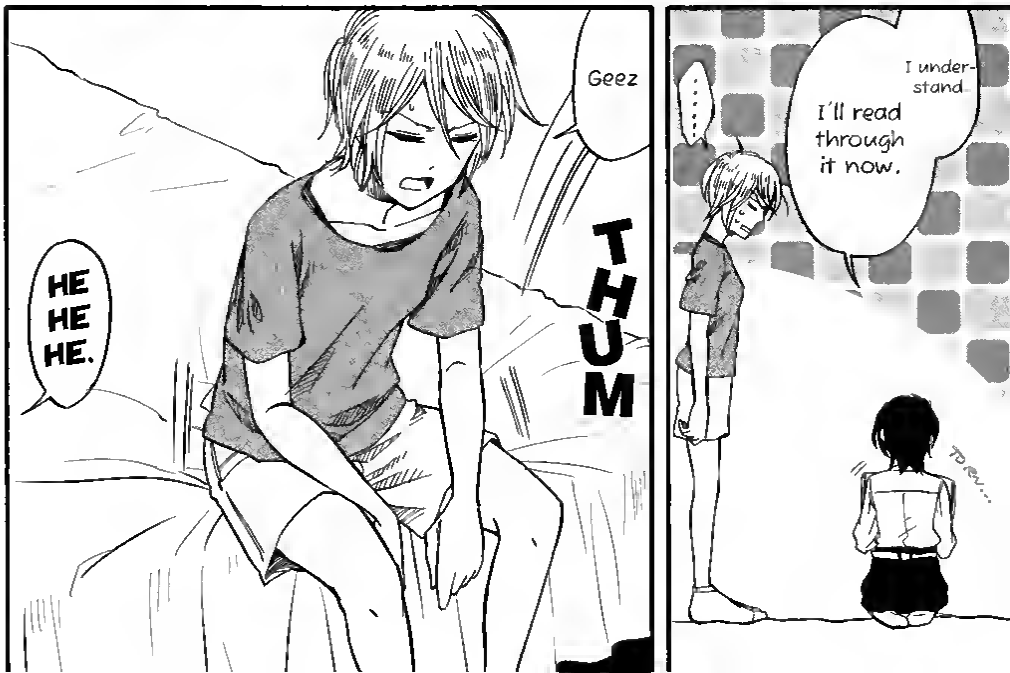


Do you have any books that you drew?
Hey...
I'm not used to having someone else in my room...
click click

THUD
Wha?!
No such thing! It's just my hobby. I haven't done anything fancy like that.
... I see. But then I am in the right vein.
?!!
HAAH...
I mean, when you're bothering with special-use paper, you must have things resembling books, right?
Smile

Oh my, will you really show me this?
I have no reason to hide it anymore.
THUM
There you go.

Ow, that's too bad.
So you were planning that!!!
AH!
But if you start reading them out loud, I'll take them right back!!



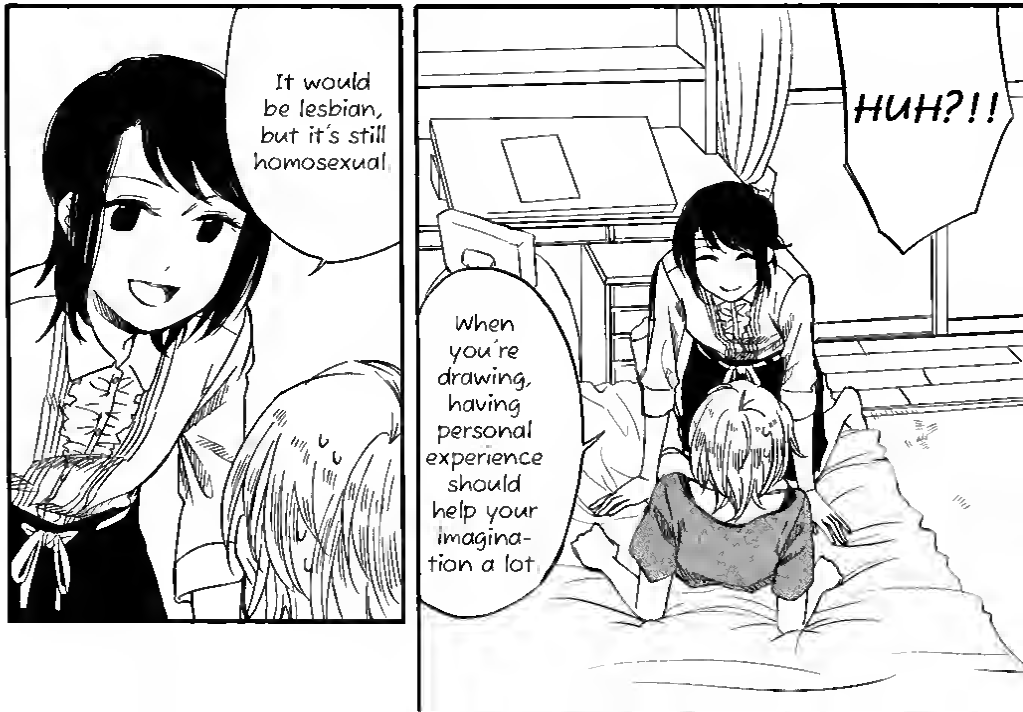
Geez
THUM
HE HE HE.
I understand.
I'll read through it now.

Hmm
Say, I thought this before, but...
Are you gay?

Because the novels and manga you showed me before were all about male homosexual love.
HUH?! WHAT ?!?!
Huh?!
I thought that was just a peculiarity of manga, but the manga I read today had heterosexual romance too.
So you chose to draw homo-erotic manga, right?
TH-... THAT IS...
...Well? What is it?
thud
Y-You've got it all wrong!!
I just, uh... I just like gay romance as a genre!!

WHA—?!
But since you're drawing it, it's reasonable to assume you have experience with it.
I-I just draw from imagination! You idiot!!
Like the pureness of the love.
Ooh, is that so?
Oh, is that so? I apologize.
PUSH
!!
?!
TREMBLE
Still, I'm not wrong...
thud

So, shall I help you out?



It would be lesbian, but it's still homosexual.
HUH?!!
When you're drawing, having personal experience should help your imagination a lot.

Wh...
What nonsense are you spew-ing?!
So you inherited it.
It is such beautiful hair.
You know, I've wanted to touch it for a while.

Even if I was insulted for it, I never hated my hair...
However, no one has ever told me they liked it.

CREAK

rattle
The tea is ready
KNOCK KNOCK
Hey!!
Stop that, Yuri!! What are you doing to your friend?!
mmm
I TOLD YOU, I'D COME AND GET IT!!
Now, get out of here!
Eeh? Let me mingle
OUT!!
CLANG
Heh he he

GRRR!!
HA HA
You really are cute...
My my, where are you going?
TO THE TOILET!!
rattle
FUMM!

CLANG
Damn ittt!!
Be still!!
BA-THUMP
BA-THUMP
BA-THUMP
BA-THUMP
